Assembly Instructions

Place Outer Shell on Ground

Stand Outer Shell Up and Square Off by Pulling on the Door or Corner

Insert Floor through the Outer Shell Door (Make Sure Tie Downs are Sticking Out)
Place Tank Holding Tank in Unit through Outer Shell Door

Unit Sump Will Fit Snug in the Rear Section of the Floor

Remove Urinal and Bolts from Holding Tank. Place Urinal Spout in Small Hole in the Top of the Holding Tank and Snap Into Flaps.

Place Roof on the top of the outer shell and fasten with a bolt and wing nut on each side.

To store the unit for future deployment, reverse the entire process. Fifty (50) of the Porta John® patented portable toilets can be stored in a 20’ x 8’ foot container.

Holding Tanks

Dimensions: 18” high x 84” long x 48” wide
Capacity: 300 U.S. Gallons / 1,134 Liters

Made of durable, long-lasting rotocast polyethylene. Can be plumbed in any configuration to meet field needs. During the 1996 Olympic Games in Atlanta, Georgia, twenty of these tanks were plumbed together to form a 6,000 gallon reservoir.

http://toilets.com/products/handwash.htm
Our two-person hand wash stations (Model FPHS 4545) have a 90 gallon capacity, contain dual sinks, towel roll holders and soap dispensers and are equipped with a waste basket. Unit can be ordered with or without hand sanitizers.

The addition of Waterless Hand Sanitizers allows for 4 or more people to wash their hands at once. Sanitizers can be purchased separately or as a part of the dual wash station. Refills for the hand sanitizers are available.

Dimensions of the dual sink unit are:

- 48" x 24" x 48"  (30 inch sink Level)
- Weight is 104 pounds
- Fresh Water Capacity: 45 gallons (US)
- Waste Water Reservoir: 45 Gallons (US)
Hand sanitizer stations are available in place of sinks and they eliminate the need for fresh water and paper towels (see attached pictures).

Economical – Sanitary – Simple to Use

No water or messy paper towels required. Great for sanitizing when soap and water are not available. No lingering fragrance, non-toxic.

Hand sanitizer stations are available in place of sinks and they eliminate the need for fresh water and paper towels (see attached pictures).

Our prices for the above products are as follows:

**Four Unit Hand Sanitizer Stands** . . . . . . . . $360.00 each
(Refills @ $12.50 each)

**Individual Hand Sanitizer** . . . . . . . . $23.00 (Including Initial Refill)

Units are manufactured utilizing plastic wood.
